NOTICE

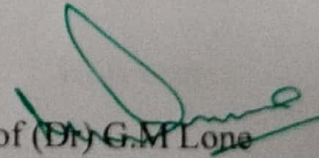

It has been noticed that some miscreants have been running social media platform like Instagram/facebook/ twitter pages in the name of this institution without any authorization. The undersigned hereby wants to inform all the students of this college who are unauthorizedly running such social media sites to immediately close/deactivate such sites, from today i.e. 15th of December-2023.

The undersigned will be compelled to take legal action against the individuals involved in running these unauthorized social media sites, and we urge the students to refrain from interacting through these sites or sharing any information through these modes.

There has been a derogatory post on one instagram page with this institution name and the college administration has identified those involved. A strong police action will be taken against them if they fail to present themselves in person before the Principal within two days and explain the reasons behind such derogatory post. In addition, action as warranted under rules of the college will be taken against those found guilty.

The undersigned also inform our students, staff, and other stakeholders that our institution does not have any official presence on any social media platform. Any information related to this institution will be shared only through our official website and other authorized communication channels.

The undersigned request the students to cooperate with the college in this matter and help to maintain the integrity of this institution's name and reputation. The undersigned will take all the necessary steps to ensure that such incidents do not happen in future.

Prof (Dr) G.M Lone
Principal
