Sub Registration of Yuva on My Bharat portal – reg.

Sir/Madam,

As you are aware, Mera Yuva Bharat (MY Bharat) is an autonomous body established by the Government of India to provide a comprehensive institutional mechanism, powered by technology, for youth development and youth-led initiatives. My Bharat platform aims to offer equitable access to opportunities, enabling youth to realize their aspirations and contribute to building an Amrit Bharat by 2047. MY Bharat connects youth with programs and learning opportunities in businesses, government departments, and non-profit organizations, fostering a deeper understanding of local community issues and encouraging the generation of constructive solutions. To complement theoretical learning, the platform offers experiential learning programs, giving youth practical exposure to work in local businesses, self-government, and government bodies. Leveraging the modern youth's familiarity with digital networks and tools, these programs not only provide valuable inputs to local communities but also offer youth opportunities to assist others. MY Bharat aims to create an ecosystem that empowers young individuals to become catalysts for community transformation, allowing them to generate individual profiles showcasing their skill sets and activities, network with peers, and connect with potential mentors.

It is, therefore, requested that necessary instructions be issued to NSS Programme Officers to make every effort to enroll all the students of your college on the My Bharat Portal and to monitor the progress daily.

Additionally, the Principals of colleges which do not have a functional NSS Unit are requested to designate a faculty member who shall drive the enrolment

Further, an action taken report in this regard should be submitted to this office.

Yours Sincerely

Dr. Sheikh Ajaz Bashir  
Director Colleges, J&K  
Higher Education Department
